Mr. FRANK LEONARD, Staff Writer for the captioned newspaper, has contacted the NYO seeking the Bureau's permission and cooperation to write an article on the FBI featuring SA HUGH G. FORD, Senior Resident Agent, Suffern RA.

Mr. LEONARD was contacted by SA THOMAS J. HARRINGTON and Mr. LEONARD advised that since the FBI is a part of the Westchester Rockland community, their newspaper is interested in doing a full-page picture story on the FBI in Rockland County and flavoring it with a "local angle" by featuring SRA FORD. The general format as outlined by Mr. LEONARD could be described as a typical day with photographs such as SRA FORD conferring with RAs assigned to his agency, contacting the Chief of Police, examining a stolen automobile and so on. It is Mr. LEONARD's desire to produce a story that would be most favorable to the Bureau and SA FORD. Mr. LEONARD agreed that if this permission and cooperation was extended, the final draft would be submitted to the Bureau for approval prior to publication.

It is to be noted that the Journal-News in the past has given Bureau Police Schools in the area excellent stories and photo coverage.

SA FORD entered on duty on 11/27/50, and has been assigned to the Suffern Resident Agency since 3/24/58. On 10/7/63, he became Senior Resident Agent. SA FORD makes an excellent personal appearance and is highly respected in the Rockland County community.

The Journal-News is a leading newspaper in Westchester and Rockland Counties. It has been very cooperative to the Bureau in the past on publicity for Police School, fugitives and local Bureau cases.

The NYO is recommending that approval be given for the Journal-News to do a picture article on SRA HUGH FORD. It is felt that this article would be excellent publicity for the Bureau.

Reurlet 7-10-70 concerning the desire of Mr. Frank Leonard of captioned newspaper to prepare a pictorial feature dealing with the Suffern, New York, Resident Agency.

Relet indicated this feature would cover a "typical day" of Senior Resident Agent Hugh G. Ford. In this connection, you should keep in mind Bureau policy regarding the publicizing of pending investigations; however, there would be no objection if Mr. Leonard wanted to arrange some posed photographs depicting interviews, etc.

You should also keep in mind that this feature could generally cover the Bureau's work, some of the functions of the Suffern Resident Agency, and the Agents assigned to that Office. Your Office has previously been furnished samples of prior newspaper features dealing with Bureau resident agencies and you should refer to this data for guidance.

Bufiles contain no information identifiable with Mr. Leonard based on background data furnished. Results of a file check on Leonard by the New York Office should be furnished promptly, and you should also keep the Bureau advised of further developments in this matter.
